## Resistentes Caixas Industriais

Caixas para instalações de terminais, bem como para equipamentos eletrônicos, a série IN-BOX oferece opções versáteis para a escolha dos engenheiros elétricos e eletrônicos.

- nove caixas para base com superfícies em alto brilho e diferentes alturas
- dois materiais padrão: ABS (UL 94 HB) ou PC (V-2);  
as caixas completas em PC estão em conformidade com a norma de segurança contra incêndios, norma UL 94 5V (melhor do que V-0), embora o material possua apenas a classificação V-2
- elevado grau de proteção IP 66/67; junta de vedação pré-espumada na parte frontal
- alta resistência ao impacto IK07 (ABS) e IK08 (PC)
- partes frontais da caixa com cor ou transparente
- eficientes parafusos ao redor da tampa com um quarto de volta em aço inoxidável
- área de operação recessada para proteção ao teclado de membrana ou lâmina decorativa/rótulo
- montagem direta em parede ou montagem na parede exterior com suportes de montagem; se necessário, um kit de dobradiça interna pode ser fornecido como acessório
- kit de segurança opcional para uso com marcas de chumbo
- trilhos DIN e placas de montagem para instalação e configurações individuais
- pilares de parafusos internos para PCBs, trilhos DIN e placas de montagem

# IN-BOX

## Exemplos de aplicação

- Ideal para a indústria eletrônica como instrumentos digitais e analógicos, sensores, interfaces e sistemas de segurança.
- Além disso, para aplicações elétricas tais como sistemas de aquecimento, clima e ventilação, construção de máquinas e equipamentos de construção.
- Smart Factory / Industrie 4.0

Chicken Door

Monitoring with temperature sensor

Vibration meter for centrifuges

## Modificações específicas do cliente

O que você ainda precisa em seu próprio produto pessoal? Nós podemos fornecer caixas e knobs de ajuste com todas as modificações necessárias para a montagem de seus componentes eletrônicos. Opções para customizadas In-Box

Usinagem

Impressão

Letragem a laser

Películas decorativas

Blindagem EMC

Instalação / Montagem de acessórios
